Hi Wilford,

Thank you so much for the fascinating meeting today.
Please also extend our appreciation to the Mayor for taking time out of his schedule.
I have attached a document to this email, which I drafted for your consideration. Please forgive me if there is any grammatical mistakes, but I wanted to make sure to get it to you before departing the office until Friday.

This provides accurate and mostly public information in regards to economic and social collaboration between both sides. The outlook is very promising and we feel very positive about the future.
Please let me know if there is anything else that I can do to be helpful.

My cell is (425) 260-3213 and personal email is political.boston.mfa@gmail.com (reply all). I will be out of the office tomorrow to celebrate the 70th, but will return on Friday.

Thank you so much again.

Sincerely,

Michael Benezra
